**SRC MESSAGE**
The school value we are looking at this month is Integrity. We think Integrity means being honest and trustworthy.

We can show Integrity by:
- Always telling the truth
- Owning up / taking responsibility for your own actions
- If you find something valuable like money or someone's property hand it in to the teacher or office
- Looking after other people's property and returning it in the condition it was when you got it.

Teachers will be looking for people showing Integrity to receive honour awards and merit awards in the coming weeks.
